

Give the Gift of Giving

The Greater Kansas City Community Foundation is excited to offer the Giving Card program—the first of its kind in the country. This program was designed to introduce charitable giving to everyone in a way that is unique, meaningful and fun.

Much like a retail gift card, Giving Cards can be redeemed to benefit any 501(c)(3) public charity in the United States including schools, churches and synagogues. You can order a Giving Card online at www.gkccf.org and give the card to celebrate a special occasion such as a birthday, holiday or a job well done. No more searching for the perfect gift, and you get the tax deduction!

The person receiving the Giving Card passes on your gift to the charity of his or her choice. Cards can be redeemed online at www.gkccf.org or by contacting us at 816-842-7444 or service@gkccf.org. Giving Cards can also be mailed to a nonprofit or dropped into a collection basket.

Next time you want to celebrate a special occasion, commemorate it with a Giving Card and inspire others to give back to the community. Order yours today at www.gkccf.org.

Ask us about private labeling the Giving Card for your company. Contact Brenda Chumley at 816-842-0944 or chumley@gkccf.org to learn more about customized cards.
